The areas in which I have experience are drawing, photography, design, and dealing with computers well, hardware and software, in addition to ICDL, and I have organization skills.

SAEED MOHAMED

EDUCATION

Giza Institute of Administrative Sciences

- Bachelor of Management Information Systems 2024

COMMUNICATION

I have excellent communication and interaction skills with managers and the work team, and I am good at working with a team through my previous work experiences, and I want to search for experiences and skills by working with new teams and managers.

LEADERSHIP

Be good with the team and identify each team member's skills for teamwork to achieve a goal
